

# Client Management Data is Saved in the MySQL Database

## Working Screenshots of Project

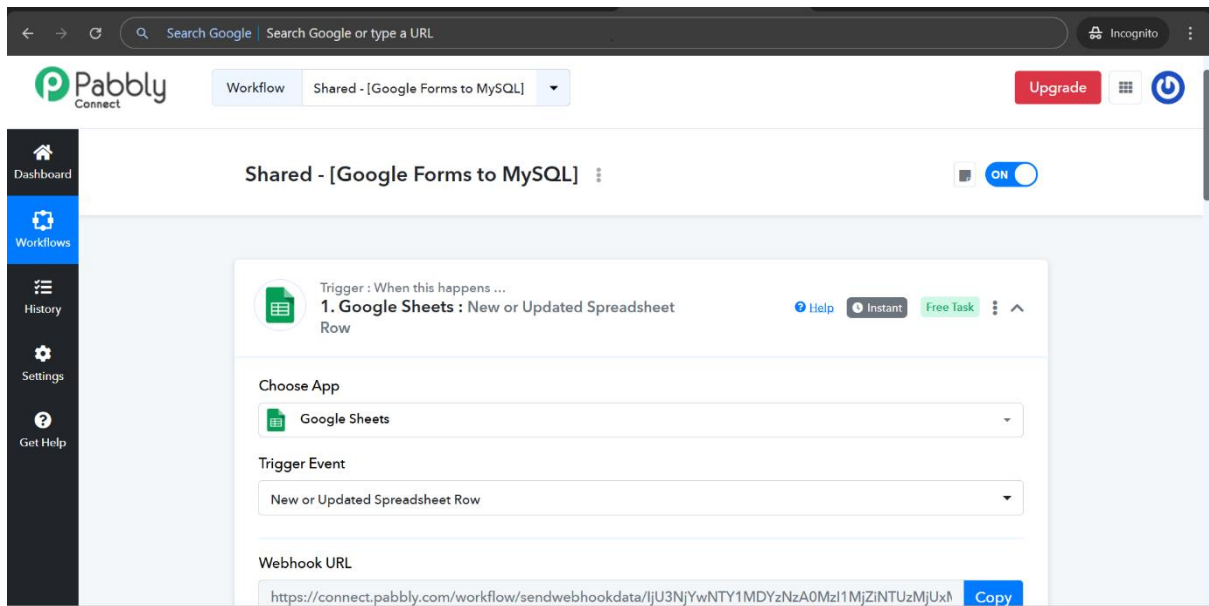

The screenshot shows a Google Form titled "SURE PROED SQL PROJECT". The form is in "Published" status. It has a header section with the title and a description: "SQL & POWERBI TRAIL". Below the header, there is a short-answer text field labeled "Id \*" and a name field labeled "Name \*". The form is automatically collecting emails from all respondents. The form is published and the status is "Published".
